ABOUT US

Founded in 1999 by Fiona De Witte, ANGELO is a Belgian brand that designs, creates and commercializes contemporary rugs.

ANGELO collection offers a wide range of handmade rugs mainly: Handknotted, handwoven and tufted rugs.

The company has built its international reputation based on its high quality, its innovative spirit and its originality.

Collections are designed to fit retailers and interior designers' targets. Specific designs are developed for projects.

BESPOKE PROJECT

Our designers' studio offers you the possibility to create your very unique and exclusive rug. You have the opportunity to either reinvent our classic with your colours, sizes and shapes, or we can create your own design. Our wide range of colors allows you to choose color combinations to suit all your needs.

Custom-made specialist, our designers will guide you throughout your project, from the selection of materials to the choice of colors.

Re-imagine the colors!

Create the perfect bespoke size!

LOUIS HERMAN DE KONINCK

Iconic architect, Louis Herman De Koninck stands out by an approach based on shapes, structures and a high sensitivity with figures.

640-LHDKV1SP

JEAN-FRANÇOIS D'OR

His simple, unpretentious, logical objects appeal as much on for their evident, clearly perceptible design as well as their discrete poetry.

JULES WABBES

Jules Wabbes is one of the main representatives of the Belgian 60s and 70s design. His sober and intemporal designs impose themselves as true classics. Editions Jules Wabbes 2010.
